Dear Parents and Carers,

Workshops and Coffee Mornings at The Hart School

We would like to take this opportunity to thank you for your continued support and engagement with the school as we approach the end of a first term. Following our recent parent voice survey, we are excited to launch our Community Engagement Scheme which will begin in our Spring Term.

As a result of this, we would like to invite you to participate in our upcoming workshops and coffee mornings designed to support our community. These events are wonderful opportunities to connect with other parents, learn strategies to support your child's education and share valuable insights with school staff.

Our events will cover a range of topics and can be found on the attached leaflet.

These sessions are open to all of our wider school community therefore parents and carers are able to sign up for any session available from our menu. Please follow the link below to select the session(s) you would like to attend: [CLICK HERE](#)

We look forward to seeing you at these events and working together to support your child's success and strengthening our strong and collaborative school community.

Kind regards,

Will Ollerenshaw
Associate Assistant Principal – Culture & Ethos
