Dear Parent / Carer

Year 12 PPEs

As we end the Autumn term, I wanted to make you aware of important assessments taking place for Year 12 students in January. During the week beginning 13 January 2025, students will take pre-public assessments in their subjects. These assessments will be classroom-based and students will have received information from their teachers about these.

Please encourage your child to revise for these important assessments over the Christmas break and in the run up to the assessment week. These formal assessments will provide us with really valuable data, allowing us to continue to support students in identifying any learning gaps and enabling them to make further progress. They also allow us to identify whether the students are suitable for continuing with their qualifications.

Mr Brennan
Assistant Principal – Head of Sixth Form SLT
