Dear Parents and Carers

During the Autumn term, students were sent a link to the Future Skills Questionnaire on their school email address.

The Future Skills Questionnaire (FSQ) is a set of questions that have been specifically designed for young people in schools and colleges to help them to think about their skills, strengths and what they might like to do in the future.

FSQ is a key feature of our school's careers programme. We will analyse student responses to help evaluate our careers provision, plan future careers activities and also identify learners who may need additional support.

The questionnaire takes approximately 15 minutes to complete, there are up to three sections of the questionnaire that cover the following areas:

- Careers knowledge and skills
- Essential skills for life and work
- Career Planning

Completing FSQ should be an engaging and insightful activity for students that will encourage them to continue thinking about their future choices and next steps after school or college. Please can we request your support in encouraging your child to complete this questionnaire if they haven't done so already.

The Future Skills Questionnaire is completed online, through a digital product called Compass+. Students simply need to log into their school email account and follow the instructions given to them in the email.

All learner data is processed in compliance with General Data Protection Regulation (GDPR). More information about how Compass+ collects, uses and stores personal data can be found here > [CEC Privacy notice](#).

If you want to know more about our careers programme, and/or would like to get involved, please contact Kyra Caulfield our Careers Leader.

Yours Sincerely

Miss K Caulfield

Teacher of History and Sociology, Careers Lead
