

Year 7 Assessments – January 2025

Students will sit online assessments in Science, Design, Music, Performing Arts, IT and PE. All IT assessments will take place in usual IT lessons. Most online assessments will be re-roomed so make sure to check room changes each day.

In Science, students will take two assessments: one online and one paper-based. The online assessments have been re-roomed to a computer room.

Look at when the assessments are for your classes, highlight them and make a note of these in your planners.
