Dear Parents / Carers

Year 7 Assessments

Further to my recent letter about the Key Stage 3 Assessments, please find attached a Year 7 assessment timetable and Year 7 Assessment Revision List. These are to support you in helping your child be organised and prepared for their assessments which will begin immediately after the Christmas break.

Students have been given the assessment timetable and revision list in tutor time this week and should have written the dates of their assessments into their planners. By the end of this week, they will all have been given a paper copy of this list of topics for revision to support with their preparation.

Please do make a note of these important assessment dates when your child comes home with them this week, and speak to your child about them, encouraging them to complete all of their homework and revise for these assessments to enable them to perform well and achieve marks of which they can be proud.

Yours faithfully

Mrs J Mahon
Vice Principal -Curriculum and Assessment
