Dear Parent / Carer

### **Year 10 into 11 Summer School**

I am delighted to be able to offer a fantastic opportunity for our Year 10 students to support their move into Year 11. In August, we are inviting Year 10 students into school to participate in a 3 day summer school for our students, with sessions in the following subjects:

- English
- Maths
- Science
- Geography
- History
- Health and Social Care (working on content for the PSA resit that students will take in September)
- Photography (working on GCSE coursework)

The summer school will run from 10am - 3pm from Wednesday 21 August – Friday 23 August and will be based on the school site in G block. Lunch will be provided for the students each day, and members of the senior leadership team and pastoral team will also be on site to support the students.

To be able to effectively group the students and plan the days, we need to gauge interest from parents and students. If you would like your child to benefit from this opportunity, please complete the Microsoft Form linked [here](#). Once we have confirmed how many students will be taking part, we will be in a position to share the timetable with students and parents.

To enable us to do this effectively, and in a timely manner, we ask that you complete the form by midday on **Friday 5 July**. If you are unsure at this stage if your child will be able to make it, but would like them to, we are happy to accept provisional expressions of interest at this point. Please make this clear on the form.

Yours sincerely

A handwritten signature in grey ink that reads "J Mahon".

Mrs J Mahon  
Vice Principal – Curriculum and Assessment
